THE NEWS TO RECEIVE DEMOCRATIC CONVENTION BULLETINS.

Through an arrangement perfected with The Western Newspaper Union and the Western Union Telegraph Company, THE NEWS will receive bulletins of the proceedings of the National Democratic Convention at San Francisco. The bulletins will be received every hour from the opening of the Convention, and will be posted at a point conveniently accessible to our friends and patrons.

The bulletins will tell the story of each day's proceedings in a condensed form, yet retaining all the day's work. The bulletins at this point will be handled through the local Western Union Telegraph Office, Miss Lucy Henry, manager.

MEETING OF COMMERCIAL CLUB TO-NIGHT.

The Paris Commercial Club will hold the regular weekly meeting at the court house to-night at eight o'clock. A number of important business matters will come up for consideration. Every member is requested to be present, and to bring along someone who will make good material for new membership. Don't let interest in the good of Paris slack one moment, but by your presence and participation in the work of the Club show that you want to be one of the live wires of Paris.

COUNTY TAX COMMISSIONERS TO ATTEND CONFERENCE

County Tax Commissioner Walter Clark and Deputy Commissioner John J. Redmon left this morning for Frankfort to attend the convention of Kentucky Tax Commissioners, which is to be held in that city to-day, to-morrow and continuing through Friday. The meeting will be called to order by J. A. Scott, chairman of the State Commission. The opening address will be delivered by Governor Edwin P. Morrow at the morning session. Other addresses will be made by M. M. Logan, Superintendent of Public Instruction, George Colvin, R. P. Green and Ben Marshall, secretary of the Commission. County Tax Commissioners are required by law to attend the conference. The afternoon of June 24 has been given to the County Tax Commissioners' Association, and the officers of the organization will be in charge of the meeting.

BIRTHS.

In this city, on June 17, to the wife of Carl Mitchell, a son, christened Charles William Mitchell. Mrs. Mitchell was formerly Miss Virginia Cherry.

ELECTRICAL CURRENT DOES REMARKABLE STUNT.

During an electrical storm which prevailed Friday night the high tension current which provides Paris with light and power did some weird stunts. In some way the current became reversed, causing motors operating machinery to run backwards, reversing the usual order of things.

The peculiarity was particularly noticeable on electrically-operated passenger elevators. The operators were greatly surprised when desiring to ascend, to find the elevators going down, and vice versa. At one business house the elevator instead of going to the lower floor from the second story, as desired by the proprietor, rapidly ascended until it reached the hoisting apparatus near the roof, bumping into the big drum with a resounding crash and scattering the contents of several paint buckets over surrounding territory. The occupant was somewhat frightened but uninjured. Linemen soon got matters straightened out, and the motors resumed their normal way.

K. OF P. DECORATION DAY.

Despite the threatening weather a large delegation of Knights of Pythias, members of the local lodge, and visiting brothers gathered Sunday afternoon at the lodge room, from where they marched to the Paris Cemetery. The graves of departed brothers were decorated with flags and flowers. A musical program by a quartet, the Royal Italian Band, and the Mandolin Club from the Pythian Home at Lexington, and an address by Rev. W. E. Ellis, pastor of the Paris Christian church, filled the program for the afternoon. The local chapter Pythian Sister, an auxiliary of the Pythian lodge, also participated in the exercises. Rain temporarily interrupted the program, which was completed afterward.

MASONIC BODIES TO MEET JUNE 24TH.

BOURBON CIRCUIT COURT

The June term of the Bourbon Circuit Court convened yesterday for a three-weeks' session, with Circuit Judge Robert L. Stout presiding, and Commonwealth's Attorney Victor Bradley representing the Commonwealth.

The Grand Jury, composed of the following, was impaneled and sworn in: I. S. Wilmott, foreman; Tilford Burnett, W. T. Linville, John Leer, Ernest Darnaby, Harry Lake, Ed. Rose, Frank Remington, Letton Vimont, Marion Hall, A. J. Thaxton and Frank Vimont. Judge Stout made the usual charge to the members of the grand jury, stating first labors should be consideration of the cases of the three or four prisoners confined in the Paris jail; that they should look thoroughly into all forms of law violations in the county, and get through their work as soon as possible, in order to release the farmer members of the jury to return to their work. He stated that the county officials had reported nothing special in the way of violations of the law in the county for their consideration, and that they should make good headway.

Attorneys for Oscar Johnson, whose case was returned from the Court of Appeals for retrial, requested bail for their client. The Court granted him bail in the sum of \$20,000. The afternoon was taken up in hearing demurrers in the consolidated cases of E. B. Sparks and others, against the Geo. Alexander Bank directors. The Court adjourned until this morning at nine o'clock.

Among visiting attorneys in the court yesterday were Judge John J. Lassing, of Covington, Eli Brown, Jr., of Louisville, Leonard M. Bethurum, Mt. Vernon, Leslie Worthington, Maysville, George Webb, Lexington, L. B. Campbell.

DEATH OF MRS. GEORGE K. REDMON.

Mrs. Addie Howard Redmon, mon, aged fifty-five, with of Mr. George K. Redmon, died at the family home on Cypress street, Saturday night at eight o'clock, of heart trouble, from which she had been a sufferer for some time.

Mrs. Redmon was a daughter of Mr. and Mrs. John Howard, of the Ruddle Mills precinct, and had a host of friends in the county, where she spent practically all her life. She was a woman of the highest Christian character and was possessed of a happy disposition that made friends of all with whom she came in contact. Besides her husband she is survived by two daughters, Mrs. Evans and Mrs. A. B. Barclay, both residents of Georgetown.

The funeral was held at the family home on Cypress street yesterday afternoon at 3:30 o'clock, with services conducted by Rev. W. E. Ellis, pastor of the Paris Christian church. The burial followed on the family lot in the Paris Cemetery. The pall-bearers were Judge Denis Dundon, John T. Dedges, Jos. Varden, Lawrence Vanhook, Joe B. Smith and John Kiser.

FEW FROM KENTUCKY GOING TO DEMOCRATIC CONVENTION.

Kentucky's representation at the Democratic National Convention, which opens in San Francisco, June 28, will be limited almost entirely to delegates, alternates, members of Congress and a few outstanding party leaders. The crowd will be the smallest which the Kentucky Democracy has sent to a National Convention in many years. In fact, some of the delegates themselves will be represented by proxy.

The limited attendance will be due chiefly to the expense of the journey, which is prohibitive for many enthusiastic members of the party who always attended conventions in St. Louis or Baltimore. The trip will cost, at the most conservative estimate, more than \$300 and will take two weeks or more.

FORMER PARIS MAN RECEIVES GOOD PROMOTION.

Neville C. Fisher, formerly of this city, but now of St. Louis, Mo., who served at Captain with 89th Division, overseas, has been appointed Major in the "Officers Reserve Corps" by the War Department.

TO CONDUCT INSTITUTE

Prof. Lee Kirkpatrick, Superintendent of the Paris Public Schools, has been engaged to conduct the Jessamine County Teachers' Institute, which will convene in Nicholasville the week beginning August 23. Prof. Kirkpatrick is one of the best-known educators in the State, his services in conducting institutes being always in demand.

GARAGE HELPER CHARGED WITH SERIOUS OFFENSE

The mystery connected with the disappearance of a new Franklin touring car belonging to James M. Caldwell from the Bourbon Garage a few nights ago, was solved when Chief of Police Link arrested Frank Riddell, of Richmond, who had been employed for the last week as night man at the garage. Riddell was given a hearing in Police Court before Police Judge Ernest Martin, and held in the sum of \$300 to appear before the grand jury in the June term of Bourbon Circuit Court. The machine was missed Wednesday night, when Mr. Caldwell came for it. Riddell, who was on night duty, said that a stranger had secured the car, stating he had been sent for it by Mr. Caldwell. The car when returned to the garage was in a damaged condition, as if it had been in a collision. Suspicion pointed to Riddell, who had disappeared. Chief of Police Link traced him to the L. & N. passenger station, a few moments before the departure of the northbound train and placed him under arrest. Riddell confessed to having taken the car and said he had collided with a horse.

Y. M. C. A. NOTES.

Swimming classes at the Y. M. C. A. these hot afternoons suggest an Atlantic City in our midst. A big crowd of boys in "simple life" attire gather at the Y door long before the pool is open in anticipation of the welcome word "all in." The splashing, swimming, shouting noises and happy faces are just as they were before the war and make one forget the problems of reconstruction, H. C. L. politics, etc. Excitation, health, and safety are all in store for the swimmer. The Y. M. C. A. Swimming Committee is fortunate in having an expert swimming instructor, Mr. Sheffield being awarded the Red Cross Life Saving Medal at Silver Bay last year, and is putting on a big swimming program this summer.

Beginning Monday, June 21, and continuing for the week, special lessons will be given adults who do not know how to swim. Women will come daily at 7:30 p. m. and men will come daily at 8:15 p. m. On Monday, June 28, the Committee will put on a Swimming Life Saving Exhibition.

The following swimming schedule has been adopted for the summer: Men and Boys—Younger Boys—Mondays and Wednesdays, 3:30 to 5 p. m. Saturdays, 10:00 a. m. to 12:00 p. m. Older boys (under 15)—daily 7:00 p. m. Older boys (15 to 21, employed) Daily 8:45 p. m. Men daily 8:15 p. m. Women and Girls—Girls, Tuesdays and Fridays, 3:30 p. m. Women, Tuesdays and Fridays, 10:00 a. m. Women Tuesdays and Fridays, 7:30 p. m.

Membership in the Y. M. C. A. is issued to those who are in accord with the principles of the Association. No charge is made for membership. A small fee is charged for the physical department privileges. Special summer fees good until October 1st, as follows:

Boys and girls under 15, free; boys and girls, 15-21 \$1.00; women 21 and over \$1.00, men 21 and over \$5.00.

At a meeting of the Y. M. C. A. Educational Service Committee, held Friday night the following former service men were awarded free scholarships in the correspondence course of the United Y. M. C. A. Schools: William C. Alliband, electrical engineering; Carl F. Bratton, salesmanship; Ray W. Ogden, architectural designing.

Free scholarships in a large range of courses are offered and former service men desiring information should see Secretary Harrison.

LITTLEJOHN CARNIVAL CO.

The Littlejohn Carnival Company opened its week's engagement in this city yesterday on the city lot in the rear of the Paris High School. It had been the intention to pitch their tents on the Wilson lot on Winchester street, but strong protests were made by residents on Vine street, and the city lot was secured. The Littlejohn Carnival Company is one of the cleanest and most orderly organizations of its kind in existence, and will no doubt receive a liberal patronage. A former Paris boy, Charles "Tessie" Thomas, is with the Carnival Company. Thomas is a brother of Mrs. L. M. Tribble, of this city, and during his residence in this city was a member of the Paris Fire Department, and afterward engaged in the automobile business.

AUTO CATCHES FIRE.

The fire department was called about 4:25 yesterday afternoon by an alarm from Box 18 to the Dickerson & Son garage, on Main street. An automobile belonging to a Versailles man caught fire in an unaccountable manner, the upholstery being destroyed. The blaze was extinguished by garage employees before the arrival of the department.

CALLED MEETING K. OF P.

There will be a called meeting of Rathbone Lodge No. 12, Knights of Pythias, to-morrow (Wednesday) night, at seven o'clock. There will be work. A full attendance of the members is urged. Don't fail to be present.

THE CITY COUNCIL AUTHORIZES PURCHASE OF OIL.

At a special meeting of the City Council, held Saturday night, after the dust situation had been thoroughly discussed, the Council authorized the purchase of 20,000 gallons of crude oil, to be spread on the streets of the city where its use will do the greatest good in relieving the almost intolerable dust nuisance. The distribution of the oil will begin immediately upon arrival, for which the housekeepers and business men of the city will be very thankful.

The Council authorized the improvement of Third street, from Pleasant street, to Railroad street, and around the Louisville and Nashville railroad freight station, with concrete surfacing. They also ordered the scarifying and resurfacing of Main street from Bank Row to the East Paris bridge over Stoner creek, at the foot of Main, with macadam, to be thoroughly rolled and surfaced.

COUNTY ELECTION PRECINCTS TO BE REDISTRICTED.

Owing to the fact that the vote of Bourbon county will now be doubled because of women participating in the elections, it will become necessary under the law to increase the number of election precincts. A meeting of the County Court will be held soon for the purpose of redistricting the election precincts of the county. Precincts 2, 4, 5 and 6 in Paris will have to be reduced in area and the number of voting booths increased. The same will obtain in the Millersburg, Ruddle Mills and North Middletown precincts.

A BIG BIBLE SCHOOL EVENT

About one hundred of Everyman's Bible Class of the North Middletown Christian Church will leave about six o'clock Thursday morning, June 24, for Eminence, where they will be entertained by the Men's Bible Class of the Eminence Christian Church, with a 12 o'clock dinner. There are about 150 members of this class, and but for the busy season most all of them would go. The party will go through in automobiles, via Paris, Georgetown and Frankfort.

WOMAN MAIL CARRIER.

George Harper, rural mail carrier on Route 3, out of the local office, took his summer vacation last week. During his absence his place was taken by his nineteen-year-old daughter, who performed the duties of the position in a most satisfactory manner, securing the commendation of Postmaster Payne. She is the first woman to act as rural mail carrier in Bourbon county.

REAL ESTATE TRANSACTIONS.

George D. Speakes, of the real estate firm of Harris, Speakes & Harris, conducted a public sale of lots in Butler, Ky., Saturday, for Dr. D. S. Henry, of Paris. Good prices were realized and a large crowd in attendance. Mr. Speakes will go to Washington Court House, O., tomorrow, to conduct a sale of building lots.

As agent for J. Harvey Hibler, the real estate firm of Harris, Speakes & Harris sold Thursday afternoon at public sale the two-story frame residence belonging to the late Mrs. Emily Parker, located at the corner of Main and Thirtieth streets. The property was purchased by James McClure for \$9,700. At the same time the personal property and household effects were sold, all bringing good prices. The sale was conducted by George D. Speakes.

N. Ford Brent purchased at private sale of M. J. Murphy, the old Connelley residence located in East Paris, for \$2,000.

FISCAL COURT PROCEEDINGS.

A special session of the Bourbon Fiscal Court was held yesterday, with Judge Batterton presiding. The session was called for the purpose of receiving bids for the improvement of the Paris and Georgetown pike with rock asphalt or macadam. A number of bids was submitted, but all were rejected by the Court, and the work will be done by the county under the supervision of the Road Commissioner and the County Road Engineer.

BUMPER BLACKBERRY CROP.

From all sections of the blackberry belt comes the news that the crop this season will be a bumper one. Nicholas county reports the crop there as unusually promising. Housekeepers must be prepared to fight the combines, however, as the present price of sugar will be met by the extraordinary demands of the blackberry hucksters.

JUDGS WINN SUCCEEDS GANFIELD ON STATE BOARD.

Governor Edwin P. Morrow has appointed Robert H. Winn, Mt. Sterling, a member of the State Board of Charities and Corrections to succeed W. A. Ganfield, resigned. Winn was formerly a member of the Appellate Court, and is a son-in-law of Mr. and Mrs. Jesse Turney, of Paris. His wife being formerly Leslie Mannen Turney.

PARISIAN HEARS FROM BOYHOOD SCHOOL CHUM.

Back in the early days of Paris one of the city's best-known young men was Charles F. Beach, whose father, the Rev. Mr. Beach, was then pastor of the Northern Presbyterian church. Young Beach was a student at the Yerkes School for Boys, and afterward attended Centre College at Danville, where he graduated with the honors of his class. Mr. Beach has been a resident of Paris, France, for twenty-five years. From there he writes the following letter to John M. Brennan, of Paris, a classmate of former days, making inquiry regarding his former school friends:

"24 Boulevard Des Capucines, Paris, France, May 27, 1920.

"My Dear John:—I have been thinking for a long time of writing to you, but the hurry of business and the thousand and one other things that one has to do to keep alive, have postponed my letter until to-day.

"As one grows older he thinks more and more of the days and of the home of his youth, and I am coming to a time of life when I can no longer delude myself with the notion that I am still young. Fifty years ago next September (or was it forty-nine year ago?) Prof. Yerkes came over from Danville to Paris, and opened a boys' school in which I completed my preparation for college, going over to Danville the following autumn. I enclose you herewith a list of the boys in that class. I shall be surprised if it is not the only list in existence, and I should like to know how many of them are alive, and how many of them remember me. Please get in touch with any of them you can, give them my address and ask them to write to me. I think it is about time we had a class reunion, at least by correspondence.

"I heard a few years ago, indirectly from Prof. Yerkes, who was then living in Pasadena, California. That reminds me of Mrs. Anderson, of Pasadena, who was Miss Alice Jones when I was a boy in Paris, and one of the prettiest girls that

ever lived. She first married Mr. Garrett, of Paris, and then a Mr. Anderson from somewhere East or North, I think. She is now a widow and we correspond occasionally. I think she was a relative of Colonel William E. Simms, who was a member of the Confederate Congress and a man of high position in Bourbon county, half a century ago. By the way, I saw a few days ago in an American paper that a son of Col. Simms had developed an important racing stable in Paris. That interested me, because some of my clients here are owners of such stables.

"I have a large and growing law business, of which I am the head, and to which I must give attention for the present. Outside of law, I am engaged in manufacturing, in the manufacture of automobiles, in a company of which I am president. I am also president of a textile engineering corporation of some importance, a French branch of Lockwood, Greene & Co., of Boston, Mass. So, when I have a moment's leisure, I sometimes think about retiring, but that is as near as I ever get to it.

"There is one other matter that I should like to speak of: During my first or second year at Center College I was a beneficiary, to the extent as I remember, of \$200, of the Garth Fund. I should like to be put in touch with the treasurer of that fund, because I should like to return with interest that small sum of money, which at that time was to me a very large sum of money, and helped me to acquire what little education I now possess. Let me know who the treasurer is, or have him write me, so that I may perform this little act of justice.

"I hope you are prospering in mind, body and estate. I can wish you no better luck along those lines than I have had myself. Although I am sixty-six years old and more, I am, aside from playing a little at being sick now and again, in almost perfect health. I have not as much money as I need to be an independent human being, I don't have to work too hard, and I am of such a happy disposition that life to me in Paris (France) seems an ideal thing. I should be very glad to hear that you are coming to Paris this summer for your vacation. If you should ever do so it would be pleasant to me to do what I can to make your visit interesting.

"Some years before the war Hal Brent and his wife made me a visit, and during the war one of Kelly Brent's sons came in to see me in his soldier uniform. I met Hal again a year or two ago in Washington, and we talked a little about old times, but I should like to get in touch again more directly from the greater Paris with the little Paris across the ocean.

"Please remember me to anyone in Bourbon county who remembers me. Tell them that I am very much alive, and have set out to be a hundred years old, being in fact, two-thirds of the way there now. I have lived in France for twenty-five years, and I am so far Gallicized that I shall never be content to live anywhere else.

"Here is my list of the pupils in Prof. Yerkes' school in 1871-1872: James McIntyre, Wm. E. Kenney, John Moreland, George Osborne, Edward Moran, Henry Chambers, Brent, Kelley Brent, William Talbott, Edward Tipton, Wm. Parks, John Martin, Ned H. Owings, Tom Owings, John Hibler, Wallace Massie, Robert J. Neely, Charles Crosthwaite, William Clark, William Lyle, John Lyle, Frank Lewis, Will M. Rucker, Edwin Dodge, Edward Garrard, John Morris, Frank Myall, Sidney Clay, Presley Ford, Arthur Keller, Doddridge Arment, Tom Arnold, Charles Fithian, George Bedford.

"With all good wishes for you and yours, and hoping for a letter from you in due course, I remain, as it was in the beginning, is now and ever shall be,

"Your Friend,
"CHARLES F. BEACH."

BURGLARS FRIGHTENED AWAY.

Burglars who attempted to effect an entrance to the home of James Day, were frightened away before they succeeded in getting in. The police were notified, but could find no clue to work on.

DONATIONS FOR THE MASSIE MEMORIAL HOSPITAL

Farmers and gardeners who may have an over-surplus of vegetables or fruits are asked to donate same, or any considerable portion thereof to the larder of the Massie Memorial Hospital. These donations may be sent direct to the Hospital, where they will be gratefully received.

There are in the city and county, no doubt, many who have a surplus of these products who would gladly respond to this appeal for donations. Bear in mind how much good these donations will accomplish in an institution like the Hospital and send in what you can spare.

A YOUTHFUL CHAUFFEUR.

Young Jack Mitchell, the eighteen months-old adopted son of Mr. and Mrs. Harry L. Mitchell, of Pleasant street, has developed a mechanical sense that is remarkable for one of his tender years. Jack has learned in a few lessons the essential means of starting an automobile, and does everything but actually pilot the machine. He can readily designate the accelerator, use the switch, manipulate the various pieces of apparatus that constitute the operating machinery of a car, and is always ready to take charge at the wheel. His location or use of the various devices, and when asked to locate them, does so unerringly.

—A beautiful luncheon-bridge was given last Saturday evening at the home of Capt. Robert G. Jones, and Mrs. Jones, near North Middletown, honoring Miss Pattie Low Pleasing, of Louisville, who was their guest for the week-end. The home was beautifully decorated in June flowers. The guests for the evening were Mr. and Mrs. Tolliver Young, Mr. and Mrs. Frank Sledd, Mr. and Mrs. J. W. Young and Capt. William Collins.

—Mrs. Jos. M. Hall's lovely bridge tea in honor of her niece, Mrs. Chas. Miles MacKinlay, who was the beautiful Miss Martha Ferguson, of Paris, was much enjoyed by the friends of the guest, of honor, the affair taking place on Tuesday afternoon. The Hall residence, on Duncan avenue, which has recently been rebuilt, is one of the most attractive places in Paris. Its appointments throughout are most artistic, and were added to with decorations of lovely June roses and lilies. After the games refreshments were served. Miss Katherine Davis Craig won for the highest score an exquisite embroidered handkerchief, and Mrs. Durand Whipple was given the same as a consolation prize. Eight tables of players enjoyed Mrs. Hall's delightful hospitality.

—One of the most delightful meetings of the Lexington Garden Club for the year was held Friday, when Mrs. William E. Simms, of Airdrie, was hostess. Forty-five members of the Club motored to Xalapa, the country estate of Edward F. Simms, near Paris. The lovely garden there was a blaze of June glory, and the members enjoyed its beauties to the utmost. Those in the party took a picnic lunch, expecting to find a shady spot near Xalapa in which to enjoy it. On their arrival they found that tables had already been prepared for them in the garden, where had also been arranged chairs and comfortably cushioned seats. Mr. Ben Buckner, manager of Xalapa Farm, assisted Mrs. Simms in looking after the comfort of the party.

—Mr. and Mrs. Thomas Henry Clay very delightfully entertained Friday morning with a garden party at their handsome home on Pleasant street. The guests were received very informally by Mrs. Clay on the porch and they were very graciously greeted in the drawing room by Miss Lute Williams, sister of the hostess. Upon entering the garden, from the back gallery such a scene of loveliness seldom greets one's eyes. Roses in all their gorgeousness, lilies, and in fact, almost every lovely flower known, greeted you with their beauty and fragrance. Mr. Clay was in the garden, where he received the guests. Miss Elizabeth Clay, the charming granddaughter of the hostess, served punch at a beautifully appointed table among the flowers. Delicious refreshments were served by a bevy of young girls, friends of

the hostess. About one hundred guests enjoyed Mr. and Mrs. Clay's delightful party.

—Misses Nellie and Gladys Quinn, little daughters of Mr. and Mrs. Ed. Quinn, of Ferguson street, are visiting relatives at Livingston.

—Andrew Denton, Jr., and sister, Miss Ruth Denton, have returned to their home in Owingsville, after a visit to friends and relatives, in Paris and the county.

—Mr. and Mrs. C. L. Dalzell had as guests for the week-end Miss Dalzell's brother, E. L. Baer, an attorney of Wise, Va., who was en route to Oklahoma on a business mission.

MANY ACRES IDLE BUT FOR POWER UNITS.

The scarcity of labor means that many acres will be idle this year unless farmers use large power units in cultivating and caring for the necessary crops. It very often happens that one man and four or five mules can do two and one-half times as much work as one man and two mules. This is especially true in preparing ground for crops, where harrowing and packing can be performed in one operation with a larger power unit, such as five mules; while just as much labor will be required when using two mules, and it will take two and one-half times as long.

—Said the City Builder

"I am proud of my town," said the City Builder, "and I want to see it grow."

"I don't 'knock' its public utility companies; I want to see them prosper, because the town can't grow unless they can grow, too."

"I try to be as reasonable when dealing with a public service company as I would be with any other business institution in town, and I don't expect their operation to be 100% perfect all the time, because I have never yet found any human or any machinery, in any line of business, that was absolutely infallible."

"And when I have a complaint to make, for instance, about the telephone service—I do my complaining to the telephone company!"

"IT'S GRANDEST THING IN WORLD"

Gained Ten Pounds And Is Full of Life and Energy Since Taking Tanlac.

"It was only three weeks ago that I began taking Tanlac and already I have gained ten pounds and am doing my housework for the first time in over a year," said Mrs. Florence Krause, 419 South Shelby street, Louisville, Ky., in conversation with a Tanlac representative recently.

"I had been a sufferer from stomach trouble for several years and last year I got so bad off I had to have an operation and it left me in a worse condition than ever. My nerves were so badly unstrung that any sudden noise would make me scream out and become almost hysterical. My stomach was upset, my appetite was the poorest it had ever been and I could not retain the little I did eat. I suffered terribly from nausea and had smothering spells so bad they would have to loosen my clothes and I would just have to gasp to keep breathing. My sleep was always restless and I had awful spells of neuralgia in my head. I was too weak to do any of my housework, felt tired and fagged out all the time and lost nearly all interest in life.

"One of my neighbors told me about Tanlac and I always will be thankful I took her advice and started taking it. Tanlac is the grandest medicine on earth, for I have taken only three bottles and already I am feeling better and stronger than I have in many years. I can hardly eat enough to satisfy my appetite, nothing ever hurts me and I am no longer bothered with those smothering spells. I have not had a sign of neuralgia since I began taking Tanlac and my nerves are just as steady and strong as ever in my life. My sleep is sound and refreshing and life is now worth living. Tanlac has given me health, strength and happiness, and I am glad to tell others in the hopes that they, too, may be benefited by this wonderful medicine."

Tanlac is sold in Paris at the People's Pharmacy. (adv)

SAYS STATE STALLIONS NOT WORTH KEEP.

Kentucky owns eight stallions which are "eating their heads off," as far as their custodians are concerned, and State Inspector and Examiner Henry E. James, in his report on the State Racing Commission, suggests advice of the College of Agriculture experts on the proper disposition of them. These stallions were presented to the State Racing Commission in 1915 by the companies owning the race tracks and by breeders. They were given for the purpose of improving the breed of animals throughout the State and 600 or 700 of their progeny have proved the success of the idea. The men who are keeping them, however, want to get rid of them since the price of feed has gone up.

BEST REMEDY FOR STOMACH TROUBLE.

"I am pleased to have the opportunity to say a good word for Chamberlain's Tablets," writes Mrs. Mamie Bertel, of Moberly, Mo. "I think they are the best remedy for stomach troubles, biliousness and constipation I have ever used. I have taken them oft and on for two or three years and they always relieve indigestion, tone up the liver and make me feel fine."

RETIRE AS PRESIDENT OF BEREA COLLEGE.

Commencement exercises of Berea College, Berea, Ky., were marked by the retirement of President Wm. Goodell Frost, who had been at the head of the institution for 28 years and saw it grow from a small local school to its present important status. He was succeeded by Prof. William J. Hutchins, of Oberlin, O., who took charge immediately, but will be formerly installed October 20. Prof. Hutchins was formerly pastor of the Bedford, Ky., Presbyterian Church. The last year was declared to be the most successful in the history of Berea College, there having been an attendance of 2,543 students. All the 40 mountain counties of Kentucky and the 49 mountain counties of the Virginia, the Carolinas, East Tennessee, North Georgia and Alabama were represented by students. Announcement was made that \$500,000 is needed for new buildings.

IS THIS YOUR EXPERIENCE?

Many Paris People Are Afflicted
With Annoying Kidney Ills.

Are you bothered with too fre-
quent action of the kidneys? Are
the secretions highly colored—do
they contain sediment—burn and
scald in voiding? These are all
signs of kidney sickness and should
not be neglected. Paris people rec-
ommend Doan's Kidney Pills. If
your back aches and your kidneys
are weak you will find no better
recommended remedy.

Chas. Stewart, tinsmith, Lileston
avenue, Paris, says: "I have had
three or four attacks of lumbago in
the past few years, the first being
the worst. There was a constant,
dull ache in my back all the time
and often sharp, cutting pains dart-
ed through it. It sometimes seemed
as though I could hardly endure the
misery. I tried different remedies
with no good results. I heard of
Doan's Kidney Pills and procured
them from the Ardery Drug Co. The
first box helped me and I continued
taking them until cured. Attacks
since then have always been slight.
Doan's Kidney Pills have never failed
to relieve me."

INTERURBAN RATES GO UP.

In the revision of freight and
passenger tariffs lately put into
effect by the Kentucky Traction &
Terminal Company, freight rates on
the interurban lines have been in-
creased flatly ten per cent. Package
stamp rates are increased in about
the same proportion. For the infor-
mation of the general public the fol-
lowing passenger fares schedule
which went into effect Monday be-
tween Lexington and all Central
Kentucky towns served by the "Blue
Grass Interurban route" is pub-
lished:

Lexington to Versailles, 42 cents;
Lexington to Frankfort, 84 cents;
Versailles to Frankfort, 45 cents;
Lexington to Paris, 54 cents; Lex-
ington to Georgetown, 39 cents;
Lexington to Nicholasville, 39 cents.
The actual rate a mile, three cents.
is not increased, but the distance is
computed more accurately than un-
der the present system, when most
of the fares are in round figures.

KENTUCKY POOLS WOOL.

The Department of Markets, of the College of Agriculture, originated the plan of pooling all the wool in the State into one large central pool. The popularity of this idea is well demonstrated by the fact that applications have been made for wool growers from Ohio and Indiana to have their wool in this sale. This State Auction will be held in a tobacco warehouse in Lexington, June 28. Some thirty or more counties in the State have pooled their wool, which is being graded by expert graders using the government standards. Fifty-pound samples will be submitted from each county at the central auction and there the buyers will have the privilege of bidding on about 750,000 pounds of Kentucky's wool.

Beauty is only skin deep, but ugliness goes all the way through.

SOME BLUE PRINT.

The last edition of The Somerset Commonwealth, "Uncle Bill" Schooler's paper, was printed on blue paper, the only stock available at that time. Editor Schooler and wife were attending the Kentucky Press Association meeting in Covington, and the paper was gotten up and out by one man who did all the ad setting, soliciting, news gathering, job work and operating the linotype machine. The Commonwealth says:

"You see from this issue of the paper that the print paper situation is getting a little blue. Now, if you are one of the few the label on whose paper shows that they have not paid up, please send renewal at once."

Lots of people think the newspaper business is the easiest game in the world, but examples like the above demonstrate the exact opposite.

It is when love holds the key to the situation that he can afford to laugh at locksmiths.

Those who marry for business may repent for pleasure.

Final Warning

The following order was made at the last meeting of the Council, June 10, 1920: That the Chief of Police take the book the Clerk had made out against citizens of Paris for licenses and add any licenses that may have been overlooked and to serve notice on everybody that unless these licenses are paid by June 24, (the next meeting of Council), they will be arrested for violating a city ordinance and fined accordingly.

J. W. HAYDEN, City Clerk.
The above order will be executed promptly at the expiration of the date, June 24, 1920.

W. F. LINK, Chief of Police.
